

**Stories in Motion:  
International Storytelling with Cassandra Wye  
Date: 3<sup>rd</sup> December 2012 (Monday)  
Venue: Pustaka Negeri Sarawak**

For over twenty years, Cassandra has travelled the world telling stories from Barbados to Borneo, from temples to train stations, from the heart of the rainforest to the roof of the world.

Fizzing with exuberance, energy and enthusiasm, her love of stories and storytelling knows no boundaries. She swoops audiences of all ages off on unforgettable adventures wherever she goes.

She has worked across the educational spectrum from nurseries to universities and with marginalised communities such as children in care, orphans, refugees, street children and disabled adults and children. She has worked with disability and health agencies, social, educational and environmental organisations around the globe.

Her work as Performer, Educator and Director has inspired adults and children around the world to tell their stories. She is a passionate and eloquent exponent of the belief that storytelling should be for everyone.
